

HEALTH & SAFETY POLICY

Company Name:

Lehane Environmental & Industrial Services Ltd.

Address:

Farnanes, Co Cork, Ireland.

Description of Business:

Lehane Environmental provides a broad range of Environmental Services to Industry, Local Authorities and State/Semi-State Companies. These services include; Waste Management & Tank Cleaning (Hazardous & Non-Hazardous), Pipe & Drain Services, Spillage Clearance & Pollution Control and others.

MISSION STATEMENT:

The safety policy of Lehane Environmental is to ensure the health, safety and well being at work, of every employee, contractor, visitor and its Clients' Employees, in so far as is reasonably practicable.

Lehane Environmental is committed to providing and maintaining a safe place of work, safe systems of work, safe equipment and safe procedures, in so far as is reasonably practicable, and in accordance with relevant legislation. Lehane Environmental Management is committed to the promotion of the health and safety of all employees, contractors, visitors and its Clients Employees and we aim to continually improve the health and safety of our activities by the following:

ESTABLISHING SOUND ENVIRONMENTAL MANAGEMENT THROUGH

- Meeting or exceeding relevant legislative, regulatory and environmental codes of practice.
- Developing objectives, which target environmental improvements.
- Incorporating environmental issues into the decision making process.
- Developing a relationship with suppliers and contractors so that we all recognise our health & safety responsibilities.
- Educating staff so that they carry out their activities in a responsible manner.
- Promoting an appreciation of the company's health & safety performance among customer, employees and the general public.

PROVIDING EFFECTIVE SAFETY RESOURCES:-

- Ensuring staff have the correct safety equipment and relevant training for the tasks they undertake.
- Ensuring the proper maintenance, testing and certification of all safety equipment.
- Keeping up to date with new equipment, technologies and safety procedures designed to increase levels of safety.

CO-OPERATING WITH:-

- The communities in which we operate.
- Customers.
- Regulatory bodies and other interested parties with the shared vision of being a good and trusted neighbour.
