Environmental Policy Statement

Company Name: Lehane Environmental & Industrial Services Ltd.

Address: Island Corporate Park, Wallingstown, Little Island, Co. Cork. T45 EW26

Description of Business: Lehane Environmental provides a broad range of Environmental Services to Industry, Local Authorities and State/Semi-State Companies. These services include; Waste Management & Tank Cleaning (Hazardous & Non-Hazardous), Pipe & Drain Services, Spillage Clearance & Pollution Control and others.

Broad Aims: Lehane Environmental is aware of the vulnerability of the Environment and endeavours to ensure the protection of the Environment in all its activities and to promote good environmental practices to its Clients. We intend to embrace all the principles attached to our ISO 14001 Certification.

At Lehane Environmental, we recognise the need for sustainable development and we aim to continually improve the environmental effect of our activities by:

Establishing sound environmental management through:-

- Meeting or exceeding relevant legislative, regulatory and environmental codes of practice including ISO 14001.
- Developing objectives, which target environmental improvements as per EOP 04.
- Incorporating environmental issues into the decision making process as per our EMS.
- Developing a relationship with suppliers and contractors so that we all recognise our environmental responsibilities.
- Educating staff so that they carry out their activities in an environmentally responsible manner.

Controlled Document

Documents are uncontrolled when printed

- Promoting an appreciation of the company's environmental performance among customer, employees and the general public.

Providing for the effective use of resources by:-

- Advising customers on the efficient use of energy and other utilities.
- Promoting waste avoidance, minimisation, re-use and recycling.
- Promoting the efficient use of resources, energy and fuel throughout the company's operations.

Co-operating with:-

- The communities in which we operate.
- Customers.
- The Government, regulatory bodies and other interested parties with the shared vision of being a good and trusted neighbour.

Legislative Compliance: As our Company's continuance in business is recognised as being wholly dependent on retaining its Waste Activities' Permits, total compliance with all EU and Irish Environmental Legislation is essential and no breaches will be tolerated.

Future Goals: Lehane Environmental wishes to become a leader in safe environmental practices within its industry and to be recognised as same. A policy of continuous environmental improvements must be maintained and nurtured.

Signed:

Martin Lehane
Managing Director
