Health & Safety Policy Statement

Company Name: Ambipar Response Ireland Ltd.

Address: Island Corporate Park, Wallingstown, Little Island, Cork. T45 EW26

Description of Business: Ambipar Response provides a broad range of Environmental Services to Industry, Local Authorities and State/Semi-State Companies. These services include; Waste Management & Tank Cleaning (Hazardous & Non-Hazardous), Pipe & Drain Services, Spillage Clearance & Pollution Control and others.

Mission Statement (Safety):

The safety policy of Ambipar Response is to prevent injury and ill-health at work, of every employee, contractor, visitor and its Clients' Employees, in so far as is reasonably practicable.

Ambipar Response is committed to providing and maintaining a safe place of work, safe systems of work, safe equipment and safe procedures, in so far as is reasonably practicable, and in accordance with relevant legislation. Ambipar Response Management is committed to the promotion of the health and safety of all employees, contractors, visitors and its Clients Employees and we aim to continually improve the health and safety of our activities by:

Establishing sound health & safety management through:-

- Meeting or exceeding relevant legislative, regulatory and health & safety codes of practice.
- Developing objectives, which target health & safety improvements.
- Incorporating health & safety issues into the decision making process.
- Developing a relationship with suppliers and contractors so that we all recognise our health & safety responsibilities.

Controlled Document

Documents are uncontrolled when printed

- Educating staff so that they carry out their activities in a responsible safe manner.
- Employee co-operation together with Ambipar Response to prevent injury to themselves and to others. It is only with the active co-operation of all employees that good health and safety conditions may be attained.
- Promoting an appreciation of the company's health & safety performance among customer, employees and the general public.
- Provision of a framework for setting and reviewing OH&S objectives.

Providing effective safety resources:-

- Ensuring staff have the correct safety equipment and relevant training for the tasks they undertake.
- Ensuring the proper maintenance, testing and certification of all safety equipment.
- Keeping up to date with new equipment, technologies and safety procedures designed to increase levels of safety.

Co-operating with:-

- The communities in which we operate.
- Customers.
- Regulatory bodies and other interested parties with the shared vision of being a good and trusted business and neighbour.

Communication of Policy:-

This policy is communicated to all employees and is available to all interested parties on request from the Managing Director and or Senior Management Team. The policy will be reviewed annually to ensure it remains relevant and in-line with Ambipar Response's objectives and targets.
